PROFILE

I am a front-end developer and UI/UX designer skilled in HTML, CSS, JavaScript, and React. I specialize in creating responsive, user-friendly web applications with modern design principles. With experience in API integration and performance optimization, I focus on delivering seamless digital experiences. Adaptable and detail-oriented, I thrive in dynamic environments and continuously enhance my skills to develop innovative solutions.

WORK EXPERIENCE

Front-End Developer & UI/UX Designer 2023- PRESENT
Fresher

- Built responsive web applications using HTML, CSS, JavaScript, React, and Tailwind CSS.
- Designed modern, user-friendly interfaces in Figma, focusing on UX optimization.
- Developed interactive UI components and managed state efficiently with React Redux.
- Integrated APIs, optimized website performance, and improved load times.
- Created product image carousels, autocomplete search bars, and dynamic navigation menus.

EDUCATION

Bachelor of Computer Applications (BCA) - 2023-Present
2nd Year (Ongoing)
SGGS College Sector 26, CHANDIGARH
